

Serum Life Science
Europe GmbH

Welcome to the 15th International
SLS Europe Days 2024

Thursday September 12, 2024

12:00 – 13:00 Registration and snacks

13:00 – 13:20 **Dr. Leander Grode** (Serum Life Science Europe GmbH)
Welcome & opening remarks

Key Note Lecture *Moderation: Dr. Luise Krajewski*

13:20 – 13:50 **Prof. Dr. Stefan Kaufmann** (Max Planck Institute for
Infection Biology)
“A short journey through immunology and vaccinology”

Session 1 *Moderation: Dr. Luise Krajewski*

13:50 – 14:10 **Prof. Dr. Ulrich Kalinke** (Twincore)
“Can SARS-CoV-2 specific memory B cells anticipate future
virus variants?”

14:10 – 14:30 **Dr. Morten Ruhwald** (FinddX)
“Diagnosing active TB in communities, new tools – new
opportunities”

14:30 – 14:50 **Dr. Lisa Osbelt-Block** (Helmholtz Center for Infection
Research (HZI))
“Exploring the human microbiota for novel therapeutics”

14:50 – 15:10 **Teunie Westera** (Bilthoven Biologicals)
“Title of Lecture”

Coffee break

15:10 – 15:40 

Session 2*Moderation: Dr. Jany Heisig*

- 15:40 – 16:00 **Prof. Dr. Eberhard Hildt** (Paul-Ehrlich-Institut)
“Filling the gap: modulation of innate immunity and of the endolysosomal system as strategy for the control of pandemic outbreaks before an effective vaccine is available”
-
- 16:00 – 16:20 **Dr. Peter Seiler** (INCATE)
“INCATE: Supporting Innovators to Fight Drug-Resistant Bacterial Infections”
-
- 16:20 – 16:40 **Dr. Martin Raditsch** (CARMA FUND Management GmbH)
“Title of Lecture”
-
- 16:40 – 17:00 **Dr. Simona John von Freyend** (PTNG Scientific)
“Outpacing the competition: the impact of computational modelling on antibody patents”
-
- 17:00 – 17:20 **Dr. Patrick Soon-Shiong** (Immunitybio)
“TBD”
-

Get-together / Barbeque

17:20 – 22:00

Friday September 13, 2024

Key Note Lecture

Moderation: Lilian Mello

09:00 – 09:30 **Prof. Dr. Anca Dorhoi** (Friedrich-Loeffler-Institute)
“Microenvironments modulate immune responses to mycobacteria”

Session 3

Moderation: Lilian Mello

09:30 – 09:50 **Dr. Jürgen Hess** (Daiichi Sankyo Deutschland)
“Daiichi Sankyo in Germany and our DXd ADC portfolio in Oncology”

09:50 – 10:10 **Dr. HÉla Kallel** (Univercells)
“Leveraging the development novel technologies by Univercells for the development of a human mRNA rabies vaccine”

10:10 – 10:30 **Dr. Thomas Kayser** (Fraunhofer ITEM)
“Current Concepts in Allergen Immunotherapy: Early-Phase Insights and Lessons from a DNA Vaccine Trial”

10:30 – 10:50 **Tracy Moore** (TM Pharma Group Ltd.)
“Title of Lecture”

Coffee break

10:50 – 11:20

Session 4*Moderation: Dr. Zeinab Fneish*

11:20 – 11:40 **Prof. Dr. Friedrich Feuerhake** (Hannover Medical School)
“Spatial Immunophenotyping in the Reality of Translational Research”

11:40 – 12:00 **Ute Bertelsmann** (Pratia Germany)
“Risk management – at what point does it become a risk itself?”

12:00 – 12:20 **Dr. Wolfgang Weiß** (Weickmann & Weickmann)
“Patent Protection – Process Claims”

12:20 – 12:40 **Dr. Umesh Shaligram** (Serum Institute of India Pvt. Ltd.)
“Title of Lecture”

12:40 - 13:00 **Dr. Leander Grode** (Serum Life Science Europe GmbH)
Closing remarks

Networking Lunch

13:00 – 14:00
